Short Biography

I Dr. Ghulam Ali, earned my bachelor degree from KPK Agriculture University Peshawar, done my master degree from Sindh Agriculture University Tando Jam, in the department of Plant Protection. I Joined Government of Balochistan, as Agriculture Extension Officer in 2006 and Served Agriculture Department more than 12 years till 2018. In 2014, I joined Anhui Agricultural University, Hefei, China as a PhD Scholar & got Degree in Agricultural Entomology & Pest control in July 2018.

In 2019 I Joined Lasbela University of Agriculture Water & Marine Sciences, Uthal, Balochistan, Pakistan, and Serving as Assistant Professor in the Department of Entomology. I published 28 research articles as first & co-other in well reputed scientific journals. I have expertise on entomopathogenic fungi. These fungi are good enough to be used to manage insect pest population on agricultural and horticultural crops
