#### **SHORT BIOGRAPHY:**

I am a novice English language teacher with a passion for education and helping students succeed. I hold an MS degree in English Linguistics. I have been teaching at the university level for almost five years. Committed to using innovative teaching methods and creating a positive learning environment for students. Continuously seeking new opportunities to improve and expand knowledge in the field of language and linguistics. My focus and interest of research includes Phonetics and Phonology of Indigenous languages with special focus on the languages spoken in Balochistan.
